INDIGENOUS EXPERIENCES

The indigenous way of life is still very much alive in many parts of Australia. The Aboriginal people have a deep connection with the land and its resources, and their way of life is closely tied to the natural environment.

KAKADU, NT, Northern Territory

Aboriginal Australians have lived in Kakadu National Park for over 60,000 years. The park is home to many different Aboriginal communities, each with their own unique culture and traditions.

ULURU-KATA TJUTA NATIONAL PARK, NT

Uluru, also known as Ayers Rock, is a sacred site for the Aboriginal people. The park is home to many Aboriginal communities and is an important site for cultural and spiritual practices.

Coober Pedy, SA, South Australia

Coober Pedy is a town in the Outback of South Australia. It is known for its underground houses and its role in the production of opals.

William Barton

William Barton is an Aboriginal musician and social commentator. He is known for his powerful music and his advocacy for Aboriginal rights.

INSPIRING LANDSCAPES

1. CARNARVON GORGE, QLD.
   This is a unique feature of the landscape that is worth exploring. The gorge is filled with waterfalls and lush greenery, providing a perfect spot for hiking and nature lovers. The area is also home to a variety of wildlife, including kangaroos and wallabies. The views from the top of the gorge are breathtaking, and the waterfalls create a beautiful natural sound that can be heard for miles around.

2. BUNGLE BUNGLE, WA.
   These ancient rock formations are a must-see attraction in Western Australia. The landscape is surrounded by red sandstone and green vegetation, creating a stunning contrast. Visitors can explore the formations on foot, while guided tours are available for those who wish to learn more about the local flora and fauna. The area is also home to a variety of wildlife, including kangaroos, emus, and dingoes.

3. KAKADU NT.
   This is a UNESCO World Heritage site located in the Northern Territory. The area is known for its beautiful landscapes, including waterfalls, beaches, and wetlands. Visitors can explore the area on foot, by bicycle, or by taking a guided tour. The landscape is home to a variety of wildlife, including crocodiles, dingoes, and a variety of bird species.

4. ULURU, NT.
   This location is home to the famous Uluru rock formation, which is a UNESCO World Heritage site. The landscape is filled with large sandstone rocks and unique flora. Visitors can explore the area on foot, by bicycle, or by taking a guided tour. The area is also home to a variety of wildlife, including dingoes, goannas, and a variety of bird species.

5. THE GREAT DIVE, VIC.
   This is a unique feature of the landscape that is worth exploring. The area is a popular spot for divers, with a variety of marine life to be seen underwater. The landscape is surrounded by a variety of waterfalls, beaches, and wetlands. Visitors can explore the area on foot, by bicycle, or by taking a guided tour. The area is also home to a variety of wildlife, including crocodiles, dingoes, and a variety of bird species.

MUSIC FESTIVAL FAVOURITES

1. HOMEBASE, SYDNEY, NSW.
   This is a unique feature of the landscape that is worth exploring. The area is home to a variety of waterfalls, beaches, and wetlands. Visitors can explore the area on foot, by bicycle, or by taking a guided tour. The area is also home to a variety of wildlife, including crocodiles, dingoes, and a variety of bird species.

2. GORGEOUS FESTIVAL, MCLAREN VALE, SA.
   This is a unique feature of the landscape that is worth exploring. The area is home to a variety of waterfalls, beaches, and wetlands. Visitors can explore the area on foot, by bicycle, or by taking a guided tour. The area is also home to a variety of wildlife, including crocodiles, dingoes, and a variety of bird species.

3. MERIDITH MUSIC FESTIVAL, VIC.
   This is a unique feature of the landscape that is worth exploring. The area is home to a variety of waterfalls, beaches, and wetlands. Visitors can explore the area on foot, by bicycle, or by taking a guided tour. The area is also home to a variety of wildlife, including crocodiles, dingoes, and a variety of bird species.

4. A DAY ON THE GREEN, VARIOUS WINERIES AND VENUES ACROSS AUSTRALIA.
   This is a unique feature of the landscape that is worth exploring. The area is home to a variety of waterfalls, beaches, and wetlands. Visitors can explore the area on foot, by bicycle, or by taking a guided tour. The area is also home to a variety of wildlife, including crocodiles, dingoes, and a variety of bird species.

BETTER WINES

Margaret River, WA

1

Adelaide Hills, SA

2

Hobart, TAS

3

McLaren Vale, SA

4

Just as Margaret River is known for its world-class wines, the Adelaide Hills is also producing impressive wines. Both regions are known for their cool climate and unique terroir, resulting in wines that are complex and full of character. The Adelaide Hills is also home to some of Australia's best sparkling wines, which are highly sought after by wine lovers around the world.

Hobart, located on the east coast of Tasmania, is home to some of Australia's oldest and most respected wineries. The region is known for its Pinot Noir and Chardonnay, but also produces a range of other varieties. The climate is ideal for growing grapes, and the wines produced here are often described as having a unique and distinctive character.

McLaren Vale, situated in the Barossa Valley region of South Australia, is home to some of the world's most famous wineries. The area is known for its Cabernet Sauvignon and Shiraz, but also produces a range of other varieties. The region is known for its warm climate and sandy soil, which are ideal for growing grapes.

Adding to the diversity of wine regions, Margaret River is also known for its sparkling wines. The region's cool climate and unique terroir make it ideal for producing these wines, which are often described as having a unique and distinctive character.

Finally, McLaren Vale is known for its high-quality, award-winning wines. The region is home to some of the world's most famous wineries, which produce a range of different wines, from elegant and complex reds to crisp and refreshing whites.

These regions are just some of the many wine regions in Australia, each with its own unique characteristics and wines to enjoy. Whether you're a wine enthusiast or just someone who enjoys a good glass of wine, there's something for everyone in these regions.
OF THE BEST CITY RESTAURANTS

1. TETSUVA’S, SYDNEY, NSW.
